

**Native Plant Society of New Mexico
2018 Annual Conference
Plants, People, and Culture of the Gila**

Friday, September 7 to Sunday, September 9
Western New Mexico University
Silver City, New Mexico

The Gila Chapter of the Native Plant Society of New Mexico is delighted to welcome you to the 2018 annual state conference, to be held on the campus of Western New Mexico University. Members of the Gila chapter enjoy this beautiful area because of the exceptional diversity of its landscapes, its flora and fauna, and its people. We invite you to join us at the conference and explore both the plant community and the human communities, past and present that make this a unique place. Surrounded by 3.3 million acres of national forest, including three wilderness areas, Silver City is the perfect base for hiking and botanizing. We are offering a wide variety of field trips to give you the opportunity to do just that.
